Rafael,

Please see the attached application for the model 8500 / SP8500. Below is the information for the FTP that OMNI set up for the report and certificate of conformity retrieval. A hard copy of the CBI version of the report has been sent via courier service you as well. Hope all is well.

Thanks,

Brandon,

See login information below for FTP site, I have already uploaded the reports and certificate for you, let me know if you need anything else from us at this time.

In order for you to download the report, copy the address below into the address bar of your Windows Explorer window, for example open "My Documents" and use the address bar at the top. Do NOT use Internet Explorer, Chrome, Firefox, etc.:

You will then be prompted for a user name and password. These are shown below:

You will now have access to the  folder. Please copy the file from our FTP folder and place it on your computer.
Contact me via e-mail to let me know when you've finished, since I do not get any notification that you have accessed

the FTP site. This password is temporary, so please transfer as soon as possible. If you have any issues, feel free to contact me.
